DAR Program Commemorates Washington

The Father of Our Country, George Washington, was born February 22, 1732. Everyone should know that date. We all know that President Lincoln was born in February. However, how many know that another of our early Presidents, the ninth to be exact, William Henry Harrison, was also born in February? Each year the National Society, Daughters of the American Revolution, is sponsoring February as American History Month in an attempt to encourage more people to study and appreciate their heritage.

February 22, 1819 a great American poet, James Russell Lowell was born. On February 22 1877, President Rutherford B. Hays authorized the use of Bedloe Island for the Statue of Liberty That great statue is one towards which the new immigrant looks with great yearning. So might the earlier immigrants to these shores have looked had there been such a statue to see.

Today, sixteenyear from Bethesda, Md., to Upland, Calif., is a series of twelve statues depicting the pioneer mother and child on the route of the National Old Trails Road. These reminders placed by the Daughters of the American Revolution, may well serve as guideposts for the new pioneer in further understanding the privations endured by earlier generations to give us what we have today.

Correction

The Appomattox County Unit of the American Cancer Society adopted a Crusade Goal of $1300 not $3,000, as the TIMES reported last week. We greatly regret the error — but if such a total as $3,000 COULD be raised, it would mean even greater benefit to cancer patients here and throughout the country. The correct Crusde goal is about $25 over last year's total givings.

FFA FINANCES ITS OWN ACTIVITIES

By WILLIAM CARSON

I. to R: Richard Jones, Kenneth Richardson, Ronald Millner, Eugene Shirey, and John Farrar members of the FFA Finance Committee.

The Appomattox FFA Chapter finances its activities through membership dues and a wide variety of special fund raising projects.

The chief money raising project of the chapter is the sponsorship of a vocational agriculture calendar. Advertisement space is sold to local business concerns that are interested in promoting the activities of the FFA.

This year a successful campaign was conducted in the sale of tractor cushions. A total of 75 cushions were sold. A special feature of this fund raising activity this year was the awarding of a .22 caliber semi-automatic rifle to the high salesman. Eddie Covington of Hixburg was the winner with a total credit of 26 cushions sold.

The seniors in the FFA Chapter constructed and sold a farm trailer, as another activity to increase the funds of the chapter treasury. Other fund raising activities of the Appomattox FFA Chapter this year will include the sale of picnic tables, another farm trailer, sale of pencils, a FFA dance, and sale of nabs and drinks.

These funds which are raised by the FFA members are needed in order to meet a chapter budget of $1,200. Items in the chapter budget include a pig-chain, FFA contest, Father-son banquet, loan fund, recreation, state and national dues.

Ronald Millner is chairman of the finance committee this year. Other members of the committee are: Eugene Shirey, John Farrar, Kenneth Richardson, and Richard Jones.

RECORD NUMBER AWARDED DEGREE OF GREEN HAND BY FFA

Forty-one students that are taking vocational agriculture for the first time this year in the Appomattox High School are pictured above as they posed for a group picture after receiving the Green Hand Degree. This is the largest number ever to receive this degree in a single year in the Appomattox FFA Chapter.

The Green Hand Degree awarded by the FFA to its members. To receive this degree a member must be enrolled in vocational agriculture, have planned a supervised farming program, be able to recite the FFA Creed, and receive a majority vote of its members.
